

July 20, 2017

Parents and Students:

We at First Southern would like to take the opportunity to inform you about our First Southern Young Leader Program. This program is an excellent way for senior students to learn about their prospective career paths. There will be students from Jackson, DeKalb and Cherokee counties included in the young leader group. Students will have the opportunity to develop stronger social skills while making new friends and meeting new people. We typically have thirty students in our group each year.

The meetings will be held once per month at one of our bank offices (Scottsboro and Rainsville). Also, we will host two field trips, which are chaperoned by bank personnel. The trips are a way for students to interact with one another and tour different places that are educational and fun. Parents will be invited to our welcome reception in September and the graduation banquet held in late April.

The bank will award a \$1000 scholarship to one student at each participating school. This is based on initial interview, attendance and participation in the group, while maintaining an acceptable grade point average.

We invite students to complete the enclosed application and return it to First Southern (either by email to crabtree@fssbank.com or drop by the Scottsboro office to Chris Miller) by JULY 26, 2017. We will be conducting interviews at the bank after the applications are reviewed preferably the first week of August. There will be five students chosen from the group of applicants at Scottsboro High School. We look forward to being able to offer opportunities for career guidance, lifetime friendships, and a possible scholarship for selected students in the Class of 2018.

If you have any questions, please contact us at the above number.

Sincerely

First Southern Young Leader Committee
